Equity in Education at Adams

Equidad en la educacíon en Adams

- the quality of being fair and impartial

- personal or social circumstances such as gender, ethnic origin or family background, are not obstacles to achieving educational potential (**definition** of fairness) and that all individuals reach at least a basic minimum level of skills (**definition** of inclusion)

ADAMS SPANISH IMMERSION PTO
Los Amigos de Adams | Parent-Teacher Organization

Equality

The assumption is that **everyone benefits from the same supports**. This is equal treatment.

Equity

Everyone gets the supports they need (this is the concept of "affirmative action"), thus producing equity.

Justice

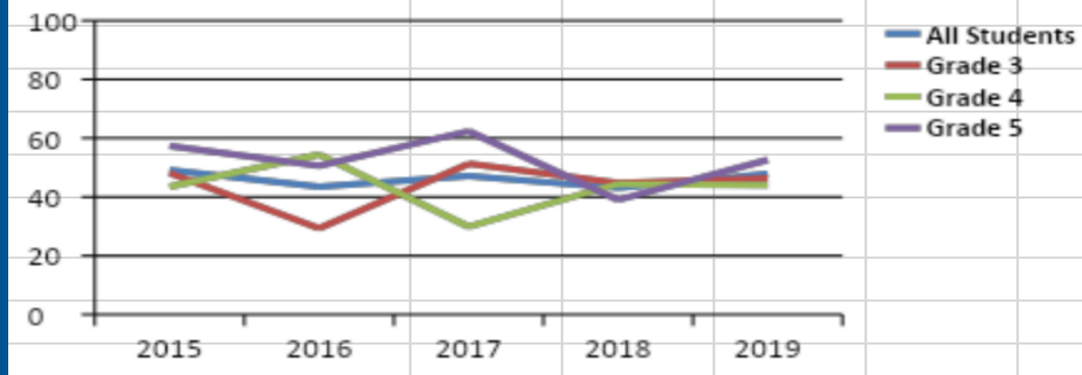

All 3 can see the game without supports or accommodations because **the cause(s) of the inequity was addressed**. The systemic barrier has been removed.
