Adams Spanish Immersion is a St. Paul public language immersion school that teaches its K-5 students to be bilingual, biliterate and bicultural in Spanish and English.

Adams PTO is a 501(c)(3) 100% volunteer-run nonprofit organization whose mission is to enhance educational opportunities for all Adams' students.

Adams PTO primarily raises funds to support our school's Amity Intern Program. Amity Interns are young adults from Spanish speaking countries who serve as teaching assistants in the classrooms for one school year; no funds are provided by the District. The interns enrich student learning by bringing linguistic and cultural richness to the classroom, and they provide critical support to classroom teachers. And at approximately \$5,000/year/intern, Amity Interns are considerably more cost effective than TA's provided by the District.

We are asking for your support to help us continue this critically important program for our students!

Donations over \$100 will be recognized in our school newsletter and PTO Website
